The number of Academic Institutes has increased drastically in India. There is a great need for efficient manpower in schools, colleges, educational institutes, etc. Addressing the need for efficient manpower in the field of Teaching, we have come up with expert Recruitment Solutions.

From candidate line-up to salary negotiation, we handle it all on the client's behalf. We have a large databank of profiles of candidates with relevant skills, qualifications, and experience for junior to senior level Teaching Jobs in India.

BFSI

The Indian BFSI Sector has seen considerable growth in the past two decades. Many national and international Banks, Financial Institutions, and Insurance companies have established offices in different parts of the country.

Thus, the need for proficient professionals in the fields of Banking, Financial Services, and Insurance is very high. Owing to a large databank of suitable candidate profiles, we undertake hiring for all job roles such as Bank Managers, Accountants, Insurance Agents, Cashiers, Financial Advisors, Financial Analysts, Clerks, etc.

BPO

The company undertakes hiring for all job position in Call Centers, BPO, and Operations Division of various sectors. The company maintains a database of candidate profiles with relevant skills, qualifications, and experience.

We recommend suitable candidates for junior to senior level positions in the minimum possible time. Before forwarding any candidate profile, we thoroughly evaluate it to ensure that the candidate possesses the qualities that are required for the given job role. We pre-screen the candidates to ensure that he or she is the best fit for the job.

Industry We Serve

HUMAN RESOURCE

It is a fact that efficient management of Human Resources is as important as recruitment of suitable candidates. To smoothly carry-out all HR Functions, organizations have set up dedicated HR Divisions. We offer to undertake hiring at all levels in the HR Division as per the requirements of the client's company.

We maintain a databank of candidate profiles with relevant qualifications, interests, and experience. We commit to recommend the most suitable candidates for the posts of HR Generalists, HR Managers, HR Team Leaders, HR Executives, etc.

ENGINEERING/ TECHNICAL

Engineering provides the much needed technical support to various sectors, paving way for growth. The need for proficient Engineers is always high. Addressing this need, we have developed a database of candidate profiles with different skills, qualifications, and experience in the field of Engineering.

We are in a position to undertake hiring for junior to senior level positions in all streams of Engineering. We have the best candidates for Jobs in Civil Engineering, Automobile Engineering, Electrical Engineering, etc.

EVENT MANAGEMENT

In India, the Event Management Sector is at its initial stages. However, with the pace it is growing, expectedly it will significantly contribute to the economy of the country in the coming years. Not only celebrities and organizations hire Event Management Firms but also the common people.

We understand that individuals with a friendly attitude with relevant qualification are the best fit for Jobs in the Event Management Sector. Thus, we have developed a databank of profiles of candidates who possess the desired qualities.

Industry We Serve

SALES & MARKETING

The ultimate aim for every organization is to increase the sales graph. For this innovative marketing strategies are developed and implemented. Many companies have developed dedicated Sales/ Marketing Departments to carry-out the marketing functions effectively.

We understand that Sales & Marketing Professionals need to have a good communication and convincing power along with the required qualifications. We are in contact with the candidates who possess such skills. We capably undertake hiring for profiles such as Sales Engineers, Sales & Marketing Professional, Team Leader, Sales Manager, Marketing Head, etc.

TELECOM/ TECHNOLOGY/ ISP

At present, the Telecom Industry of India is flourishing. It is a fact that India is home to the maximum number of mobile users. This reflects the level of growth of the Telecom Industry in India. Many national corporate giants and international companies have ventured into these sectors to explore the benefits that are associated with the growing demands of Indian consumers.

The company has a large databank of suitable candidate profiles for different job roles in Telecom Sector as well as in ISP Companies. We undertake hiring for all job positions including Engineers, Technicians, Sales Representatives, Tele-Operators, etc.
