Placement Services

HR Consultant

The HR department in every company is assigned different responsibilities. Our team of HR professionals shortlist the eligible candidates for vacant situations, ensure a strong communication between the management and employees, keep a track record of pay slips, and much more. In addition to this, they also serve startups in Patna located in different locations in Bihar for establishing the employee-related policies and regulations of the company.

Many students lack a clear vision for their future endeavors. Alankar Manpower is based in Bihar and works as a career consultant in Patna. Our professional career consultants assist students in choosing a suitable career in future. Workshops and seminars are organized where students get the right guidance for selecting a career as per their skills and interest. Moreover, the career consultants recommend the suitable courses that can be pursued to get more knowledge for the future. Our career consultants are often contacted by educational institutes, schools, and colleges in Bihar.

Career Consultant

Manpower Recruitment

A company with a skilled workforce easily scales new heights of success. Alankar Manpower is contributing to the success of the companies. We are a manpower recruiting company in Patna (Bihar). We are aided by a team of professional recruiters. The shortlisted candidates are interviewed by the panel on multiple levels as per the requirement of the vacancy.
