# About Us

**Alchemy Staffing Solutions Pvt Ltd (ASSPL)** is a recruitment-consulting firm which is well-known for providing the brightest and the best candidate timely along with cost effective recruitment solutions with a low attrition rate.

The company's mission was evolved in the year 2009 which was named in the year 2013 to read under style as **Alchemy Solutions**. This was mostly engaged to indulge into training and recruitment activities in PAN India basis.

In the year 2014 Alchemy Solutions was associated with **Ayan Consultancy** to expand its clientele nationwide. And later in the year 2015 Alchemy Staffing Solutions Pvt Ltd (ASSPL) was incorporated.

At ASSPL we understand the current scenario where it is cumbersome for any organization to spend their valuable time in locating for the right candidate. In turn the candidate also desires to fit himself in any organization to develop career. Along with our intensified recruitment methodologies we bridge the gap in between the candidate and the organization to the extent possible.

We have developed skills in spotting talents through head hunting and talent search mechanism for positions at all levels and functions.

We extend the support to organizations to recruit the best professionals with appropriate competencies, who fit in culturally and have smooth transition.

We have our office at Bhubaneswar, Odisha and we undertake assignments in various industries at different levels and functions PAN India.

# Industries We Serve

**BFSI :** The Indian BFSI Sector has seen considerable growth in the past two decades. Many national and international Banks, Financial Institutions, and Insurance companies have established offices in different parts of the country.

**Tour & Travel :** In the past few years, tour and travel activities in India have significantly increased. This has contributed to the growth of the Hospitality Sector as well. In all parts of India, several Guesthouses, Hotels, Motels, Rest Houses, Resorts, etc. have been established. Consequently, there has been an increase in the manpower requirements of the Hospitality Sector.

**Construction :** Activities in the Real Estate Sector of India have increased over past few years. This has led to the growth of the Construction Sector as well as the Real Estate Sector. Many Building & Development Projects have come up in India. Consequently, the need for proficient manpower at all levels in the Construction/ Real Estate Industry has increased.

**Retail :** In the past few years, many national and international companies have ventured into the Retail Sector of India. Various malls, supermarkets, brand retail outlets, etc. have been established all over the country. There has been a rise in the need for efficient manpower in the Retail Sector. Our expertise lies in presenting the most suitable manpower for all Jobs in the Retail Sector.

**Education/Training :** The number of Academic Institutes has increased drastically in India. There is a great need for efficient manpower in schools, colleges, educational institutes, etc. Addressing the need for efficient manpower in the field of Teaching, we have come up with expert Recruitment Solutions. From candidate line-up to salary negotiation, we handle it all on the client's behalf.

**IT/ ITES :** In the past two decades, there have been significant advancements in IT Sector of India. Not only Indian but several Multi National Companies have ventured into the IT Sector of India. Moreover, there has been a rise in the field of IT enabled Services (ITES) as well. Undoubtedly, there are endless opportunities for those who wish to make their mark in the field of Computers.

**Export/ Import :** Export and Import activities in India have drastically increased with the effect of globalization. At present, the Export/ Import Sector is significantly contributing in the growth of Indian Economy. Various big and small companies have ventured into this sector. Catering to the manpower needs in the Export/ Import Sector, we have come up with effective Recruitment Solutions.

**Manufacturing / Operations :** Manufacturing is the base for many organizations. It is impossible to function without a dedicated Manufacturing/ Production Division for several sectors such as FMCG, Automobile, Textile, Electronic Goods, etc. The company has established a large databank of candidate profiles with relevant skills, qualifications, and experience for different Jobs in the Manufacturing Division.

# Industries We Serve

**Telecom/ Technology/ ISP :** At present, the Telecom Industry of India is flourishing. It is a fact that India is home to the maximum number of mobile users. This reflects the level of growth of the Telecom Industry in India. Many national corporate giants and international companies have ventured into these sectors to explore the benefits that are associated with the growing demands of Indian consumers.

**FMCG :** The FMCG Sector of India has witnessed significant growth in the past few years. This is because of the increased interest of Indian Consumers in the Fast Moving Consumer Goods. A number of national and international FMCG Companies have ventured in India to explore the benefits associated with the rising demands of consumers in India.

**Sales & Marketing :** The ultimate aim for every organization is to increase the sales graph. For this innovative marketing strategies are developed and implemented. Many companies have developed dedicated Sales/ Marketing Departments to carry-out the marketing functions effectively. We understand that Sales & Marketing Professionals need to have a good communication and convincing power along with the required qualifications.

**Event Management :** In India, the Event Management Sector is at its initial stages. However, with the pace it is growing, expectedly it will significantly contribute to the economy of the country in the coming years. Not only celebrities and organizations hire Event Management Firms but also the common people.

**Pharmaceuticals/Medical/Health Care :** A job in the Medical/ Health Care/ Pharmaceutical Sector needs lots of dedication and patience with the necessary qualifications and skills. The need for professionally-qualified and skilled professionals is always high in these sectors. As the number of Hospitals, Drug Stores, Chemist Shops, Clinics, Healthcare Centers, etc., has increased the manpower requirement in the Medical/ Healthcare Sector has also gone.

**Engineering / Technical :** Engineering provides the much needed technical support to various sectors, paving way for growth. The need for proficient Engineers is always high. Addressing this need, we have developed a database of candidate profiles with different skills, qualifications, and experience in the field of Engineering. We are in a position to undertake hiring for junior to senior level positions in all streams of Engineering.

**BPO :** The company undertakes hiring for all job position in KPO / LPO / GPO / Design Outsourcing of various sectors. The company maintains a database of candidate profiles with relevant skills, qualifications, and experience.

**Automobile :** In the last few years, the Automobile Sector of India has grown significantly. The demands of Indian Automobile Users have significantly gone up. Not only India but several International organizations have started serving in the country. The need for skilled human resources is very high in the Automobile Sector.
