We understand your business, company ethics, values, and culture, based on which we find suitable candidates for vacancies. Our team of recruitment professionals conducts thorough research and screening before sending the candidates for the interview. So, avail our services now.

## OUR MISSION & GOAL

We provide solution that change the way of people work and organizations do business. In Virtually every industry, from manufacturing to financial services, Information technology to education, health care to trading, Epsilon Consultant has been helping companies leverage their resources by reducing their operating costs and increasing their productivity.

## 1. Placement Services

Epsilon Consultant is one of the renowned placement consultancies based in Vadodara (Gujarat, India). As one of the flourishing placement consultants in Vadodara, we are bridging the gap between the employers and the employees.

We maintain vast databases comprising resumes of potential candidates and contacts of leading companies. Our responsibility is to match the job profile requirements with the qualifications and experience of the candidates. Based on this, we select the most desirable candidate and conduct screening tests, telephonic interviews, etc.

## 2. Manpower Recruitment

At Epsilon Consultant, we are engaged in offering excellent manpower recruitment services to the organizations across Vadodara (Gujarat, India). As manpower consultants in Gujarat, our main motive is to understand the job profile requirements of your company and then, select an appropriate candidate for the job post.

In order to recruit the right manpower, our team engages into in-depth analysis of the company needs and availability of candidates. Besides this, we assist the companies in conducting their recruitment drives conveniently. So, contact us anytime.

## 3. Human resources Consultancy

Epsilon Consultant, based in Vadodara (Gujarat, India), is a placement firm providing trustworthy HR consultancy to the organizations. We cater to all types of companies ranging from startups to multi-national firms. We find suitable candidates for these firms to help them in filling all the job vacancies at their offices.

Besides, once you hire us, we would be responsible for managing the payroll, salary/ leave structure preparation, Legal & statutory compliance, etc. of your company. So, rely on us for diverse procedures and hire us now!

## 4. Permanent Placement

We provide comprehensive and affordable staffing solutions.

Permanent staffing assignments are those when you look to hire people on company payroll on a permanent basis. The scope of work for a permanent staffing assignment would include sourcing and initial screening of candidates as well as coordinating of interviews with the client. Each client assignment is led by an experience recruitment consultant who has extensive recruiting expertise.

## 5. Career Consultant

We are a team of Epsilon Consultant who work with people who feel unhappy, stuck, uninspired or unable to make a decision about their work life. We also provide career opportunities for people who want to unlock their full potential to best advance in their current career.

- ◆ Services for people wishing to explore a new direction in their working lives.
- ◆ Services for younger people whether you are at school, in further education or a graduate.
- ◆ Services for people wishing to enhance development within their present job, career or business.
- ◆ Services for people who have been made redundant.

## 6. Domestic Recruitment

To serve the Candidates and Companies in India we are actively involved in Domestic Recruitment process. Our services are aimed to offer the opportunity to the aspiring candidates to make a mark in these indigenous companies.

This process is categorized like Executive Search and it is the process of recruiting individuals to fill junior, medal and senior level positions in organizations. We recognize that each industry has its own terms of management style, hiring practices, compensations norms, etc. In order to provide clients with specialized and value added solutions, we have developed Executive Search division through which we fill the Middle and Seniors level high profile positions in different verticals.
